

# CCP2000: Conference on Computational Physics 2000

## “New Challenges for the New Millennium”

The purpose of the Conference on Computational Physics 2000 (CCP2000) is to provide an international forum for discussion of all aspects of computational physics.

**3 - 8 December, 2000**

**Gold Coast, Queensland, AUSTRALIA**

**Venue:**  
**Hyatt Regency  
Sanctuary  
Cove Resort**

## Sponsors

Australian Institute of  
Physics

International Union of Pure  
and Applied Physics

Australian Partnership for  
Advanced Computing

The University of  
Queensland

Department of Industry,  
Science and Resources

Red Hat Linux

## Invited Speakers (partial listing)

*Markus Hegland* (Australian National Univ.)

*Rubin Landau* (Oregon State University)

*Steven Louie* (Univ. of California, Berkeley)

*Grant Lythe* (University of Madrid)

*William Thompson* (Univ. of North Carolina)

*Larry Viehland* (Chatham College)

**Abstract submission deadline: 15 July 2000**

**CONTACTS:** CCP2000 Secretariat, Department of Physics, The University of Queensland,  
Brisbane, QLD 4072, AUSTRALIA. Phone: +61-7-3365 3405. Fax: +61-7-3365 1242  
**Email:** [ccp2000@physics.uq.edu.au](mailto:ccp2000@physics.uq.edu.au)
